Noun, Suru verb, Transitive verb, Intransitive verb

2. **(application) crash** Computing

Wikipedia definition

3. **Subversion** Subversion refers to an attempt to transform the established social order and its structures of power, authority, and hierarchy. Or more specifically, subversion can be described as an attack on the public morale and, "the will to resist intervention are the products of combined political and social or class loyalties which are usually attached to national symbols.
